

Procedure-specific Informed Consent Forms

STEP 1 – Go to **MedPro.com** and login with credentials or select Register Here to create a new user account.

The screenshot shows the MedPro Group login interface. At the top left is the MedPro Group logo with the tagline 'a Berkshire Hathaway company'. Below the logo is the heading 'ACCOUNT LOGIN' with a lock icon. There are two input fields: 'Username' and 'Password'. Below the password field is a blue 'Login' button. At the bottom, there are two links: 'Forgot your username/password? Click Here' and 'New user? Register Here'.

Creating a New User Account

1. After selecting '**Register Here**', complete the required fields to create a new account.
2. Retrieve login information that was sent to email address provided.
3. Input username and temporary password provided in email to login to **medpro.com**. Follow the on-screen directions to create a unique password.

STEP 2 – Once logged in, click on ‘Resources.’

STEP 3 – Sample informed consent forms are listed here.

The screenshot shows the MedPro Group website interface. At the top, there is a navigation bar with 'My Policy', 'My Risk Management', and 'My Knowledge Center'. The 'My Risk Management' section is active, displaying a sidebar with 'Education', 'Assessments', and 'Resources'. The main content area is titled 'Resources' and contains the following text:

Please visit www.medpro.com/dynamic-risk-tools for additional resources.

Reference Manuals
Patient Safety & Risk Solutions' reference manuals provide valuable and comprehensive risk management guidance and resources.

Sample Informed Consent Forms
Patient Safety & Risk Solutions has several sample informed consent forms available for insureds. Additionally, MedPro Group's guideline titled *Risk Management Strategies for Informed Consent* contains valuable information regarding when and how informed consent should be obtained before commencing treatment.
